

Give health, happiness and hope.

CDA Cares Solano
March 8–9, 2019

One in three Californians experiences barriers to accessing dental care, including children and the working poor. But you can help create smiles and restore dignity for local families by supporting CDA Cares. At each event, an average of 1,950 individuals receive life-changing dental treatment at no cost.

How can you make a difference?

Gift a chair for care.

Become a treatment chair sponsor for only \$500 and provide patients a place to receive essential care. In gratitude for your donation, receive a CDA Cares scrub jacket and donor recognition at events and on our website.

Gift your time and talent.

Join dentists, dental and healthcare professionals and community volunteers who will be changing lives in Solano.
